## Guide Gear® 15L Electric Turkey Fryer.

## Guide Gear® 15L Electric Turkey Fryer

'Like' or Google+ this item.

Fry, boil or steam safely indoors or out! Mmmm! Delicious turkey for the holidays and beyond. 15 liters is almost 16 qts., big enough to cook a 14-lb. turkey! Great for making fries, onion rings, fish or chicken, too. And our Guide Gear® brand is made to our exacting specs to ensure top quality at the right price!

## Details:

- 1,750 watts for quick oil heating and temperature recovery
- Easy-to-use 1 1/2-hour timer
- Variable thermostat with auto shut-off
- Removable inner aluminum 15L cooking pot and heating element for easy cleaning
- Perforated aluminum basket included
- Glass lock lid.
- 22 1/2 x 18 x 17" h., 19 lbs.

Order ONLINE Now! Makes a great gift!

Here's What Our  
Customers Are  
Saying

Customer  
Comments

Here's what our customers think of this product: ★★★★★

We tried it out and worked great except the  
magnetic power cord holder on the Heater unit is  
loose and I need to fix it. Or see if you can replace  
just the heater unit under warranty

GORDON, EATONTON, GA
